Reciprocity: How to Apply to Use Another School’s Career Services Office

This handout provides instructions for how a University of Iowa law student or graduate can apply to use another school’s career services office to assist with the job search. Please Note: You may not apply for reciprocity to more than one school at a time.

CLOSED PERIOD
Most law schools reserve the use of their career services offices for their own students and alumni during the fall. During this time, law schools will not grant reciprocity services to students and alumni from other institutions. Some schools close through the month of December; however, most schools allow reciprocal use from November or December through early August. Please review the other school’s closed period by reviewing its reciprocity policy generally found on their website.

REVIEW RECIPROCITY POLICY
1) Verify that the school you are requesting reciprocity from grants reciprocity.
   • Go to the NALP website, located at www.nalp.org/reciprocitypolicies?s=reciprocity.
   • Or, you may find the reciprocity policy by searching the individual school’s website.
2) Review the reciprocity policy for the school from which you are requesting reciprocity.
   • If you are interested in online access to a particular school’s job postings, be sure to verify that the reciprocity privileges would grant you such access.
   • Also verify the dates when the particular school allows reciprocal use (if you apply during the “closed period” your request will be denied).

HOW TO APPLY—Email Peggy-Timm@uiowa.edu the following information:
1) Personal Information
   • Your name and email address
   • Your home mailing address
   • Your year of graduation from the University of Iowa College of Law
2) School Information
   • Name of the school from which you seek reciprocity
   • Name of the Reciprocity Coordinator and their email address
   • The mailing address for the Reciprocity Coordinator
   • If you plan to be on site, include the dates you will be visiting
   • If you are seeking online access, verify that this service is available for reciprocity purposes before you make the request.

After you submit all of this information, our CSO office will send a formal reciprocity request to the school from which you seek to obtain reciprocity. Please limit your reciprocity requests to no more than one school at a time. You will receive an email response from the school to which you applied for reciprocity either granting or denying your request. If your request is approved, bring your approval letter and your ID each time that you visit that school’s career services office.

Continued on back
Most schools allow approximately 3 visits within a 3 month period after the school has granted a reciprocity request. The period usually begins on the date of the first visit, however, be sure to check the particular school’s policy to confirm these details.

As a reference, our Reciprocity Policy follows:
