Financial Aid Information:

The following is the budget applicable for summer 2019. Other than the program fee, the costs listed below are estimated. Students should present this budget to their respective financial aid office to arrange for adjustments to their financial aid package. The Summer Program in France itself does not offer financial aid.

Students may find their institutions are not able to release funds for the summer session until the program begins, making it difficult for students to pay the program fee by the April 19, 2019 deadline. If you find yourself in this situation, you may post-date your payment by submitting a check with our Post-Dated Check Agreement. Please contact law-studyabroad@uiowa.edu with questions.
